Such refund will be made within 14 days of cancellation.

The passenger shall have the right to cancel and receive a full refund if A&K makes any of the following "major changes" in the Tour prior to departure:

- A change in the departure or return date, unless the change results from a flight delay required by the Air Carrier that does not exceed forty-eight (48) hours, and of which A&K received less than two (2) days' notice.
- A change in the origin or destination city, unless the change affects only the order in which cities are visited.
- A substitution of any hotel of lesser quality that is not named in this contract.
- A price increase of more than 10 percent (10%).

Notice of any "major change" described in this paragraph will be given within seven (7) days of learning of the change, but at least ten (10) days prior to the scheduled departure date. Provided, however, that if A&K first learns of a major change within ten (10) days of the scheduled departure date, it will notify the passenger as soon as possible. Within seven (7) days after receiving notification of a major change, but in no event later than departure, you may cancel your reservation and you will receive a full refund within fourteen (14) days. If a major change occurs after the departure of the flight which you are unwilling to accept, A&K will refund, within fourteen (14) days after the return date named in this agreement, that portion of your payment which applies to any services not provided.

A&K reserves the right to cancel the Tour at any time for any reason whatsoever, in its sole and unreviewable discretion. Provided, however, that A&K shall have no right to cancel the Tour less than ten (10) days before the scheduled departure except due to circumstances that make it physically impossible for it to operate the Tour. If a charter is cancelled 10 or more days before the scheduled departure, A&K will notify you in writing within 7 days after the cancellation, but in any event, at least 10 days before the scheduled departure. If cancellation within 10 days of the departure date is required because it is physically impossible to operate the Tour, A&K will notify the passenger as soon as possible.

The passenger's acceptance of any refund offered under this Agreement shall constitute a waiver of any additional remedies.

A&K and the Air Carrier each assume no responsibility and shall not be held liable for Acts of God, fire, flood, fog, smog, weather, mechanical failures, acts of government or other civil or military authorities, wars, civil disturbances, riots, terrorist acts, crimes, strikes, shortages of aviation fuel, epidemics, quarantines, hazards incident to sea, land and air travel, or any other similar occurrence that is beyond its reasonable ability to control.

AIRCRAFT AND FLIGHTS

ICELANDAIR, Reykjavikflugvöllur, IS-101 Reykjavik, Iceland, the Air Carrier, will be using a Boeing 757-200ER Business Jet with 50 VIP-style seats. The Air Carrier reserves the right to change the aircraft if it becomes unserviceable with a reasonable substitute of comparable capacity. The timetable and flight routes for the Tour are approximate and subject to change. In addition, international flights are subject to landing rights and other restrictions that are under foreign government control. If a foreign government for any reason denies landing rights, and if travel to that destination is cancelled, the passenger will receive a refund with respect to such flight.

Passengers and their personal belongings, including baggage, are subject to search by airport authorities to ensure the safety and security of the flight. Any passenger who, upon request, refuses to consent to any such procedure may be refused transportation.

No individual air ticket will be issued to the travelers on the private jet.

Rather, each traveler will be listed on a master air manifest that will be the responsibility of the Tour Director throughout the Tour.

Air Carrier's Right to Deny Boarding

The Air Carrier shall have the right to refuse boarding or to remove any passenger:

- Who appears to be intoxicated or under the influence of any illicit drug or controlled substance;
- Who refuses to consent to any reasonable checks of his person or baggage deemed by the Air Carrier or responsible airport authorities to be in the best interest of the flight;
- If necessary for the reasonable safety and comfort of the other passengers or if the passenger is creating a hazard or risk to himself or other persons or property;
- Whose passport, visas, vaccination certificates and all other required travel documents are not complete, or who has not complied with the applicable laws, regulations, orders, demands or travel requirements of any country or state from, through or to which a charter flight is operated on the Tour.

SPECIAL PROGRAM NOTES: PEOPLE-TO-PEOPLE PROGRAM IN CUBA

Please note that the Cuba portion of this journey encompasses a special, people-to-people program which will be different from other programs on which you may have previously participated and from other destinations visited on this journey. Abercrombie & Kent USA, LLC operates the people-to-people program to Cuba under a general license issued by the U.S. Department of the Treasury, Office of Foreign Assets Control and, as dictated by U.S. law, all participants are required to adhere to a full-time schedule of activities designed to inform, educate and promote meaningful interaction with the people of Cuba. Deviation from this itinerary, even in part, is not permitted. Per the general license requirements, this is a full-time program with many inclusions and there will be little to no free time on most days of the program.

Specific itinerary inclusions (visits, meetings with individuals and organizations, home visits) are dependent on outside factors and host availability; therefore, it may sometimes be necessary to substitute with alternatives of equal relevance and interest. Things work differently in Cuba, and activities that had been scheduled far in advance may sometimes become unavailable for a number of reasons. Therefore, flexibility is key and it is very important to go into this experience with an open mind. Your local guide will be adept at swapping activities for others when and if needed, but do not be disappointed if something in your program changes — it is likely to happen. This is a once-in-a-lifetime opportunity to visit a country that has been inaccessible to Americans for a long time, so you are encouraged to make the most of it and enjoy every moment.

The people-to-people program in Havana will put you in direct contact with Cuban citizens, and provide structured activities to facilitate your discussions. Your experienced guide will facilitate many of these interactions, but it is a good idea to ask questions to get the most out of the experience. While the people you meet may not speak English, you will be surprised at how much you can share through body language and with the help of a good translator.

As part of your obligations as an authorized traveler under the general license, you are obligated to comply with certain requirements, including maintaining a record of your activities and expenses for five years. We encourage you to keep a travel journal. In addition, there are limits on what you can bring to Cuba and what you can bring back from Cuba that are explained in more detail in your Destination Information.

PRICES & ARRANGEMENTS

The quoted Tour price includes planning, handling and operational charges, and is based on current rates of exchange, tariffs and taxes as of July 2016. Abercrombie & Kent USA, LLC, reserves the right to increase Tour price to cover increased costs, fuel surcharges, tariffs and taxes after brochure is published, and to reflect fluctuations in foreign exchange markets. Marco Polo Club discount is not applicable to this program.

Abercrombie & Kent USA, LLC, also reserves the right to change the aircraft if it becomes unserviceable with a reasonable substitute of comparable capacity, withdraw a Tour or any part of it, to make such alterations in the itinerary, to change the maximum number of passengers, or with the Tour inclusions as it deems necessary or desirable and to pass on to Tour members any expenditures or losses caused by delays or events beyond its control. Minimum age for participation may apply. Please ask your travel consultant for details.

Visa Documents/Entry Permits: It is the guest's sole responsibility to obtain and have available when necessary the appropriate valid travel documents. A valid passport is required for U.S. citizens traveling to all international destinations. Passports must be valid for six (6) months after the return of your journey and should also have sufficient blank pages for visas and immigration stamps. Many destinations also require a visa for U.S. citizens. Visas and authorization for U.S. citizens to travel to Cuba must be obtained prior to arrival in Cuba. These documents will be procured by A&K on your behalf and will be delivered to you prior to your departure. Associated fees are included in the cost for participation in the program. Tour participants must also complete a Visa Application Form and sign a Travel Affidavit confirming that they are traveling under the auspices of an OFAC-authorized, people-to-people general license. These documents, along with instructions for completion, will be sent to you upon deposit. In order to obtain the necessary documents required for travel, you must complete all forms, and sign and return them to A&K.

At the time of printing and in addition to the visa required for Cuba, U.S. passport holders are also required to be in possession of tourist visas for entry to Australia, Myanmar and Iran; these should be obtained prior to departure by the tour participant. Information and instructions for the procurement of required visas will be provided in your pre-travel documentation. Non-U.S. citizens should contact the appropriate consular office for entry requirements pertaining to their journey. You may be refused boarding or disembarked from a vessel without liability for refund, payment, compensation, or credit of any kind if you do not have proper documentation, and you will be subject to any fine or other costs incurred by A&K which result from improper

documentation or non-compliance with applicable regulations. Any extra costs for rerouting participants without visas and/or entry permits will be the responsibility of the participant.

Health Requirements: This is an active program, which requires you to make a realistic assessment of your health. All participants are expected to be in active good health, to enjoy traveling as part of a group, and to be ready to experience cultural differences with grace. Walking and climbing stairs are required in many hotels and airports, to board the aircraft, and as part of many excursions. Prior to traveling, we highly recommend visiting your personal physician for a check-up, so that you may discuss your ability to participate in this type of journey. For the latest recommendations on specific health precautions for the areas you will visit, consult your physician and the Centers for Disease Control. Any physical condition requiring special attention, diet, or treatment should be reported in writing when the reservation is made. We will make reasonable efforts to accommodate participants with special needs; however, we cannot accommodate wheelchairs. If you require a slower pace, extra assistance, or the use of a cane or walking stick, arrangements will be made for private touring at each destination, if necessary, at the discretion of our tour staff. Any extra cost for such arrangements will be the responsibility of the participant. A&K reserves the right to decline acceptance of anyone whom it considers unsuitable due to fitness level. A&K also reserves the right to remove from the trip, at the participant's own expense, anyone whose physical condition or conduct negatively impacts the enjoyment of the other guests or disrupts the tour. With the exception of travel within Cuba where participation in scheduled activities is required, if you would like to forego some of the scheduled sightseeing to rejuvenate and relax, please feel free to do so.

PHOTOGRAPHY DURING TRAVEL

Abercrombie & Kent reserves the right to take photographs and video during the operation of any program or part thereof and to use them for promotional purposes. By booking a reservation with A&K, program members agree to allow their images to be used in such photographs. Program members who prefer that their images not be used are asked to identify themselves to their Tour Director at the beginning of their program.

LIMITS ON RESPONSIBILITY

Neither Abercrombie & Kent USA, LLC, its employees, shareholders, officers, directors, successors, agents and assigns (collectively A&K nor The New York Times Company, its employees, shareholders, officers, directors, successors, agents and assigns (collectively "NYT"), own or operate any entity which is to or does provide goods or services for your trip. Transportation (by aircraft, coach, train, vessel or otherwise), hotel and other lodging accommodations, restaurant, ground handling and other services are purchased from various suppliers (including from time to time other affiliated Abercrombie & Kent companies). All such persons and entities are independent contractors. As a result, neither A&K nor NYT are liable for any negligent or willful act of any such person or entity or of any third person.

In addition and without limitation, neither A&K nor NYT is or shall be responsible for any injury, financial or physical loss, death, inconvenience, delay or damage to personal property in connection with the provision of any goods or services whether resulting from but not limited to acts of God or force majeure, illness, disease, acts of war, civil unrest, insurrection or revolt, animals, strikes or other labor activities, criminal or terrorist activities of any kind, overbooking or downgrading of services, food poisoning, mechanical or other failure of aircraft or other means of transportation, or for failure of any transportation mechanism to arrive or depart on time. There are many inherent risks in adventure travel of the type involved here, which can lead to illness, injury, or even death. These risks are increased by the fact that these trips take place in remote locations, far from medical facilities. Guest assumes all such risks associated with participating in this trip.

If you decide to participate in any activities including, but not limited to, any excursions involving animals, riding on animals, scuba diving, snorkeling, hot air ballooning, zip lining, high altitude treks, climbing, whitewater rafting, primate tracking and any activity which A&K considers to carry inherent risk of serious illness, injury or death ("Activities") then you fully understand and acknowledge that Activities carry with them various inherent risks, including serious illness, injury or death and you take complete responsibility for your own health and safety and agree to assume all risks of injury, illness or death, whether foreseen or unforeseen, that may befall you as a result of participating in any Activities and agree to release A&K, NYT and their affiliates, their agents, employees and representatives from any liability whatsoever related thereto.

Further, as consideration for being permitted to participate in the Activities, you release A&K and NYT, whether known or unknown, from, and agree not to sue or make claim against A&K or NYT for, property damage, cancellation of any Activities for any reason, illness, negligent rescue operations or procedures, personal injury, or death arising out of your participation in the Activities, and any activity related thereto, including transportation to and from the site of the Activities, regardless of whether such property damage, illness, personal injury, or death results from the negligence of A&K or NYT (but not their reckless, willful, or fraudulent conduct), and/or from any defect in equipment. You further agree to indemnify and hold each of A&K and NYT harmless with respect to any claim made against A&K or NYT by anyone else which (a) related to your participation, or (b) which would be subject to the above release and covenant not to sue if you had made the claim directly yourself.

TRAVEL ADVISORIES AND WARNINGS

It is the responsibility of the traveler to become informed about the most current travel advisories and warnings by referring to the U.S. State Department's travel website at travel.state.gov or by phone at 888 407 4747.

In the event of an active State Department Travel Warning against travel to the specific destination location(s) of the trip, should the guest still choose to travel, notwithstanding any travel advisory or warning, the guest assumes all risk of personal injury, death or property damage that may arise out of the events like those advised or warned against.

ARBITRATION AGREEMENT

Any controversy or claim arising out of or relating to these Terms and Conditions, to the Limits on Responsibility clause, to any A&K brochure, to any information regarding any A&K trip, service or package (including, in any event, the Times Journeys website, trip materials or other advertisements or information) or to any A&K-related trip, activity, service or package, shall be submitted exclusively to and resolved in binding arbitration in Chicago, Illinois under the CPR International Non-administered Arbitration Rules, before a single arbitrator appointed by CPR. Any party or their representative may appear for the arbitration by telephone or video conference. Each party shall bear its own fees, costs and expenses and an equal share of any arbitrator and administrative fees.

GUEST'S REPRESENTATIONS

The guest represents that neither he nor she nor anyone traveling with him or her has any physical or other condition or disability that could create a hazard to him or herself or other members of the Tour.

A&K reserves the right to decline to accept anyone on a trip, and to remove from the trip, at his or her sole expense, anyone whose condition is such that he or she could create a hazard to himself or herself or others, or otherwise impact the enjoyment of other guests on the trip. Additional guest assistance is available at a supplemental cost.

AIR TRANSPORTATION TO AND FROM NEW YORK

Air transportation to and from New York is not included in the Tour price. Upon request we will arrange the best-priced airfare available in the class category you request at the time of your booking. Please note that certain airfares are subject to a service fee. Should you cancel or change your air reservation before or after your departure, cancellation penalties may apply. Air reservations will not be confirmed until a passport copy is received.

ALL AIRFARES AND CONDITIONS THEREOF ARE SUBJECT TO CHANGE
